

Dear Parents,

We are excited to invite all 2nd grade students to participate in an upcoming field trip to the **Louisiana Arts & Science Museum** in downtown Baton Rouge! Students will travel to LASM to participate in two hands-on classes. In Engineering, students will create simple machines as they cooperatively problem solve and investigate the effects of balanced and unbalanced forces on the motion of objects. With Geometry & Quilts, students will be encouraged to recognize real-world connections between mathematics and the craft of quilting.

The buses will leave Rollins Place Elementary **promptly at 8:45 a.m.** and will return at 2:00 p.m. Students will attend during the month of November. (Please see the back for the scheduled dates.) We have limited space for this trip so parents will be allowed to purchase tickets on a first-come, first-serve basis. Due to the space on school buses, parents will need to meet us at LASM. If you are a chaperone, a parent conduct letter and directions will be sent home with your child. **This must be signed and returned in order for you to attend a Zachary Community Schools sponsored field trip.** We will begin at **9:30** or as soon as we arrive, so please plan accordingly for your arrival and parking.

Failure to return this form and money by the due date indicates that your child will not participate in this wonderful learning experience. This form and payments are due back by **Friday, October 26.** If writing a check, please make sure you write a **separate** check to pay for a chaperone. **Reminder: School supply fees (\$65) must be paid in full before field trip money will be accepted.** If you need to set up a payment plan for your child's supply fee, please contact Cathryn Von Kanel at 658-1940.

The cost for the trip is: **Students \$20 Parents \$15**

Thank you,
