

Parents,

It's "WRANGLER STAMPEDE" time! We need your help to make this event a success. Please ask everyone you know to either pledge a certain amount of money for each lap your child will walk, jog or run or to give a one-time donation for Rollins Place Elementary.

Each lap is 1/10 of a mile and each class will walk/run for 30 minutes. We anticipate each student will walk 20 to 25 laps with a 35 lap maximum limit. EX: Rudy walks 25 laps during the 30 minutes and has a pledge of \$1.00 per lap. Then he will collect \$25.00 from that sponsor.

This envelope can be returned back to the school between March 4 and March 25th. One-time donations will be removed. On the day of the event, **March 29th**, students total number of laps will be recorded on the front of the envelope only for those that have pledges to collect for each lap your child ran. Your child will bring the envelope **back** home for you to begin collecting any **pledges**. **All checks need to be made out to RPE.** All donations/pledges need to be returned in the envelope no later than **April 5th**.
